-- **Textbook or educational materials fee:** \$30.00 per text book

-- **Bus transfer from or to airport:** There is excellent bus service from the Mexico City (MEX) airport to Cuernavaca on the Pullman de Morelos line. The cost of the bus plus a taxi from the bus station to the school is about \$25. The busses run from early morning to very late in the evening. Our web page has very clear information on taking the bus from the airport to Cuernavaca.

A private bus or van is \$160.00, which could be divided among 4 people, assuming they arrive together. Private busses for large group are \$40 per person, each way, adjustable for large groups. We will only pick up at the MEX airport until 6 pm. If people have flights arriving later, we recommend they stay at one of the airport hotels (Courtyard Marriott, Camino Real, or Hilton) and then take the Pullman de Morelos bus the next morning. We are at least two hours from the airport and maybe more, depending on traffic in Mexico City.

All fees are payable in advance and may be paid by cash, personal checks, money orders. Mastercard and Visa credit cards are accepted on site.
