

**Transform the way you
teach Spanish.**

Global Learning

Dive into Spain where learning goes beyond the classroom. Upscale your teaching skills in an international environment and unlock new opportunities for you and your students.

Global learning | Global change

The only College Board® accredited AP® Summer Institute for Spanish Language and Culture teachers in Spain, offering full language and cultural immersion.

Advanced pedagogical training

Learn about the new AP® Spanish Language course and gain cutting edge teaching strategies and resources through specialized workshops in Madrid and Seville.

Deep cultural connection

Living and learning in Spain enhances classroom instruction with real-world cultural insights.

Transformative perspective

Exposure to a diverse and international community of educators fosters a broader and global mindset.

Global Experiences

This unique opportunity strengthens teaching and cross-cultural understanding, preparing educators to bring a global perspective to their students.

Global experiences | Professional growth

This program goes beyond professional growth, offering a deep immersion in Spanish culture that enriches both professionally and personally.

Cultural exploration

Engage with Spain's history, traditions, and local communities to bring authenticity to language instruction.

Collaborative learning

Connect with an international network of educators to exchange best practices.

Lifelong impact

Develop adaptability, resilience, and a renewed passion for teaching through real-world engagement.

DISCOVER, CONNECT, GROW.
